

**Subject: Summer Hobby Camps at Regional Science Centre, Guwahati
during July 1-26, 2017**

As done in previous years, Regional Science Centre, Guwahati shall be organizing Summer Hobby Camps for children at the Centre's premises during July 1-26, 2017 as per schedule given below-

Summer Hobby Camp provides students a unique platform to develop their innovative ideas into a meaningful kit/ model. This also provides children an opportunity to work in a team and effective utilization of summer holidays. It is a nodal point for all those students who have a desire to explore science by practically doing experiment with fun. The activities of hobby camp help in building the self confidence of the children.

Interested parents/ children are requested to register the names on first-cum- first serve basis at RSC, Guwahati as the number of seats are limited. Registration form will be issued on 5th June, 2017. For further details, interested participants may contact Education Officers of the Centre at 0361-2361699/ 2363218.
