

## NOTICE

### **“Innovation Festival” at Regional Science Centre, Guwahati on 10<sup>th</sup> and 11<sup>th</sup> February 2018**

Like previous years, Regional Science Centre, Guwahati shall organize “Innovation Festival” in its premises on 10<sup>th</sup> and 11<sup>th</sup> February, 2018 in collaboration with National Innovation Foundation. Basically, the Innovation Festival provides a common platform to people of all the states in NE regions working in different fields, like- Innovators, Artists, Performers, Crafters, Science demonstrators etc. in showcasing their creativity.

The Innovation Festival will have some sections like- Innovators, Artisans, Do-it-yourselfs, Challenge corner, etc. where respective experts in each field showcase their creativities with projects. Around 50 innovators including Artisans and other experts from different parts of North East states are expected to participate with their machines/ unique creativities.

In the Artisans section, experts from different fields like Art, Craft, Music, Pottery, Bell metal, Sculpture, Terracotta etc. will take part with their creative endeavours and demonstrate to the visitors. The artisans will show their unique creations connected with cultural Heritage with live demonstrations for the visitors.

As a part of the Festival, many hands-on-activities will be conducted in the “**Do-it-yourselfs**” and “**Make & Take**” sections especially for school students. Again, some of the interesting science based challenges will be given to individuals, family and others who will visit the festival.

Regional Science Centre, Guwahati will provide all necessary arrangement like accommodation, fooding and traveling charges to all out stationed participants.

All interested Innovators, Artists, Crafters, Science demonstrators may contact Regional Science Centre, Guwahati at Ph. no. 0361-2363218(O), 9435341526 or email: rscghy@gmail.com
